

First determine what track rollers you have.

For **(A)** Track Rollers without the spring clips: Install roller's without spring clips on the Bottom Corner Brackets, as shown in **Figure 1.1**.

For **(B)** Track Rollers with spring clips: Install the roller's with spring clips on the End Hinges and Top Fixtures, as shown in **Figure 1.2**.

IMPORTANT! DO NOT INSTALL TRACK ROLLERS WITH SPRING CLIPS ONTO THE BOTTOM CORNER BRACKETS.
